Additional information about the Oldtimer heat at the

Anniversary Race 100 years HMC

at 07th of September 2024

The HMC provides glow fuel with 16% Nitromethane free of charge for the Oldtimers. Competitors bringing Diesel models the competitor will have to bring and use his own fuel.

For the registration **until 01st of September** no FEMA MIN is needed. However, we require the model name (such as „Bugatti“, or „Frog“), the cubic capacity (like 3,5cc), and the most important, the average nominated speed of the modelcar.

Sincerely Wolfgang Döring
